

# Our Mission

Assist and work with children and their families to improve each child's personal and academic success by providing **intervention**, **assistance** and **on-going support** utilizing a wrap-around, strength-based model in coordination with the Community's resources.

# SOCIAL SERVICES

STAY INFORMED.  
BECOME INVOLVED.  
JOIN OUR STUDENTS'  
JOURNEY!

*Promoting academic and  
personal well-being for  
students and their families.*

We strive to work **WITH** the student **AND** their families by listening to understand — and working to **BUILD TRUST**.

## About Us

Salt River Schools Social Services serves the students & families of Salt River Pima-Maricopa Indian Community. We create partnerships with parents, teachers, administrators and the student to ensure the student's needs are identified. As needs are assessed, a family support plan is created to address personal, behavioral, academic and social needs that are culturally sensitive and aligned with Salt River Schools' core values.

## We Can Help...

- Dramatic change in behavior
- Nervous/Anxious
- Aggression/Anger
- Grief
- Self-Harm
- Completion of School & Homework
- Absences
- Peer Relationships
- Substance Abuse
- Sexual Acting-Out
- Bullying

## We Provide

Case Management

Academic Support

Family Visits

Collaboration with Tribal & Non-Tribal programs/agencies to find the best support.

...and more!

**Wrap-Around Strength-Based Model:** We believe families are unique and experience various dynamics that impact them. Salt River Schools Social Services believes in finding and building supports based on the strengths of the family as a whole and its individual members.
