#### Julius Evangelista

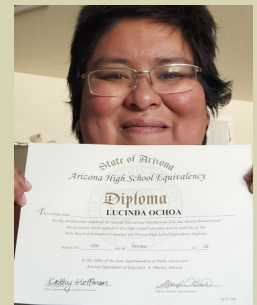

"My son and his mother are my motivation. All you need is some motivation, and you can do whatever you put your mind to. I know a lot of people doubted me but at the end of the day I proved them wrong and completed a big step to giving my son a comfortable life." Julius will be moving directly into college by signing up for our ENG and CRW SCC courses this Spring 2021 semester.

#### Lucinda Ochoa

"No matter the obstacles and challenges we faced growing up in school life, in home life, and sometimes continue to have as we get older, when we make that decision to get our GED that is one of the greatest advantages. No matter how hard it gets, once we get that diploma everything else doesn't seem so bad anymore."

Lucinda has also completed SCC college credit in ENG and CRW while attending GED.

### OFFICIAL GED TRANSCRIPT REQUESTS

[Official GED Transcript Requests](#) are now processed remotely. The Arizona Department of Education is currently waiving fees for transcript requests. Updated information is available here: [www.azed.gov/adultedservices/hse-transcript-request](https://www.azed.gov/adultedservices/hse-transcript-request).

The GED Testing Service is now offering an official online GED Test, a new remote testing option. The online GED test provides a remote, proctored official GED testing option from home to take any GED subject test, except the state-required civics test. System checks and other rules apply.
