## 10 Study Tips For Online Learners

A lot has changed over the last year and half. Many schools have transitioned their on-campus programs to an online format, and as a result many traditional on-campus students (and even employers!) have realized that online classes are an effective and convenient training and learning method. As we enter the Fall 2021 term, it is important to refresh and renew good study habits. Below are some reminders on how to make the most of your online learning experience! If you continue to develop skills for effective online learning, you'll find the courses can be an excellent alternative to a traditional classroom setting.

Here are some tips for online learning success to make sure you get the most value out of your next class.

Understand online learning practices and expectations. ...

Make sure that you have reliable internet access. ...

Have a dedicated study space. ...

Identify your learning objectives and goals. ...

Build a study plan. ...

Ask for help when you need it. ...

Review, revise, repeat. ...

### Surgical Technician Opportunities

Are you interested in becoming a Surgical Technician? Gateway Community College, Brookline College and Carrington College now offer an Associate of Science in Surgical Technology. You can obtain your degree and certification in as little at 18 months. The average annual salary for Surgical Technologists in Arizona is approximately \$51,000/annually.

Annual salaries typically start from \$34K and go up to \$77K. Interested students may call Joyla Gates at the Higher Education office 480-362-2542 or via email at: [Joyla.Gates@saltriverschools.org](mailto:Joyla.Gates@saltriverschools.org)

Scholarship assistance available and federal student aid available to those who qualify.
