COVID-19 NOTIFICATION: Salt River Elementary School

Dear SRES Families,

We recently became aware of an individual from Salt River Elementary School with a test-confirmed case of COVID-19. They were last at SRES on Friday, Sept. 10. Due to federal privacy laws, we are unable to share any personal identifying information about who has tested positive. We have notified the Community Epidemiologist and health department. Students and staff who have been in close contact with this individual will be contacted directly about quarantine and other safety measures. *If you do not receive a follow-up call, then you were not in close contact* (within 6 feet for 15 minutes or more) with the individual.

The safety of our students, staff, and Community is our top priority at Salt River Schools. Out of an abundance of caution, **Salt River Elementary School will transition to remote learning on Monday, September 13; we will return with a hybrid learning model on Monday, Sept. 27.** On or before Monday, Sept. 13, you will be contacted by your child's teacher regarding pick-up for learning materials and/or technology. **Online classes will begin Tuesday at 7:45 a.m. via MS Teams.**

Beginning Monday, Sept. 27, our school will implement a hybrid learning model. You can review the full details of this model at https://saltriverschools.org/news/what_s_new/covid-19. The hybrid learning format allows us to reduce the number of students on campus each day and help prevent the spread of COVID-19 and other viruses. The schedule for this hybrid format is as follows:

- Students in grades F.A.C.E., 2, 6, and 2/3 combo will learn on-campus (in person) on Mondays and Thursdays. On Tuesdays and Fridays, these students will learn remotely at home and log in to class via MS Teams.
- Students in grades Kinder, 1, 3, 4, and 5 will learn on-campus (in person) on Tuesdays and Fridays. On Mondays and Thursdays, these students will learn remotely at home and log in to class via MS Teams.
- All students will learn remotely at home on Wednesdays. Work on these days will be asynchronous, meaning students will work on their own from printed packets or online.

We encourage everyone to follow SRPMIC health guidelines and monitoring your family's health over these next two weeks. If you experience symptoms of COVID-19, seek medical care and/or isolate at home. *Please inform school leaders if your student tests positive for COVID-19.* For more information about COVID-19, including how it's spread, its symptoms, and prevention methods, visit https://saltriverschools.org/news/what_s_new/covid-19. Additional information is available on the Centers for Disease Control website at www.cdc.gov.

If there are any additional questions, please contact me at 480-362-2400.

Thank you,

Dr. Amanda Guerrero
SRES Principal
