COVID-19 NOTIFICATION: Accelerated Learning Academy

Dear ALA Families,

We recently became aware of an individual from the Accelerated Learning Academy with a test-confirmed case of COVID-19. They were last at ALA on Wednesday, Feb. 23. Due to federal privacy laws, we are unable to share any personal identifying information about who has tested positive.

We have notified the Community Epidemiologist and health department. Students and staff who have been in close contact with this individual will be contacted directly. *If you do not receive a follow-up call, then you were not in close contact* (within 6 feet for 15 minutes or more) with the individual.

We encourage everyone to follow SRPMIC health guidelines and monitoring your family's health. If your student experiences symptoms of COVID-19, seek medical care and/or isolate at home. *Please inform ALA leaders if your student tests positive for COVID-19.*

For more information about COVID-19, including how it's spread, its symptoms, and prevention methods, visit saltriverschools.org/news/what_s_new/covid-19. Additional information is available on the Centers for Disease Control website at www.cdc.gov.

If there are any additional questions, please contact me at 480-362-2130.

Thank you,

Jama Nacke
ALA Principal
