

WEBSITES FOR SERIOUS LEARNING AND FUN

K-3

ENGLISH, LANGUAGE ART SITES

	<p>Hatch Ignite@Home https://rms.hatchearlychildhood.com/homeUser/ Hatch Early Learning, the early childhood education technology thought leader, is excited to offer Ignite@Home to families at no charge, for a LIMITED TIME. The Hatch technology is used in the classroom with ECEC students. Ignite@Home is a powerful digital learning platform for children, from 28 months to Kindergarten. Use Code: HIU2020</p>
	<p>Footsteps2Brilliance App (K-3) Designed specifically to engage parents and prepare early learners. Download for free from the Apple Store or Google Play Store.</p>
	<p>Read Write Think http://www.readwritethink.org/ Looking for engaging ways to introduce your child to reading or to encourage your teen to write? Need some age- appropriate book suggestions or rainy day activities? The materials here are your answer—all of them created by experts to be fun, educational, and easy to use outside of school.</p>
	<p>Highlights Kids https://www.highlightskids.com/ Highlights Kids offers online ways to play, read and craft with animated stories and more. According to their website, they are on a mission to “help children become their best selves by publishing content and creating experiences that engage, delight and foster joyful learning.”</p>
	<p>Storyline Online https://www.storylineonline.net/library/ An excellent resource for children with learning disabilities like dyslexia. This website records free videos of narrators, and sometimes well-known actors like Eva Longoria, reading children’s books aloud. Students develop their literacy skills by following along with text as the literature comes alive.</p>
	<p>Into the Book https://reading.ecb.org/ Into the Book website provides engaging reading comprehension activities in English and Spanish. Elementary children with learning disabilities will benefit from dissecting books, such as The Wolf Who Cried Boy and A Pirate’s Life. Short, 15-minute videos are included to teach important reading strategies like visualization and summarizing. (ESS Favorite!)</p>

MATH SITES

	<p>Great Minds https://gm.greatminds.org/en-us/knowledgeonthegeo Free daily video lessons from our expert team of teacher-writers in Grades K–12 of <i>Eureka Math</i>®, Grades K–8 of <i>Wit & Wisdom</i>®, and Grades 3–5 of <i>PhD Science</i>™. Organized by grade and module, the lessons are viewable on any device for easy access by teachers, parents, and students alike.</p>
	<p>AAA Math https://www.aaamath.com/ AAA Math: a website filled with free, easy-to-understand K-8 mathematics lessons. Interactive pages help remove frustration from tough concepts like division, ratios, exponents, and graphing. Practice questions and fun games like Countdown give students' instant feedback to prevent learning incorrect methods.</p>

MULTI-SUBJECT SITES

	<p>Sesame Street https://www.sesamestreet.org/ Who doesn't love Sesame Street? Students have access to hundreds of video clips and games that help them with phonics, rhymes, colors and more.</p>
	<p>PBS Kids https://pbskids.org/ PBS Kids is a great online learning option for K-12 students who love interactive content, including sing-along videos, TV series, games, virtual lessons and more. You can also download their PBS Kids Video app.</p>
	<p>National Geographic Kids https://kids.nationalgeographic.com/ What could be cooler than learning about animals? On National Geographic Kids, students of all ages can enjoy science experiments, animal watch cameras and a ton of activities to keep them busy for hours.</p>
	<p>Education.com https://www.education.com/resources/preschool/ The educator-created tools range from spirited interactive books and lively games to interesting worksheets and captivating hands-on activities that parents and teachers will enjoy, too.</p>
	<p>Old Farmer's Almanac for Kids https://www.almanac.com/kids The Old Farmer's Almanac for Kids features fun games, riddles and puzzles, to supplement any online learning for young children.</p>
	<p>The KIDZ Page http://www.thekidzpage.com/ TheKidzPage.com is the perfect online resource for parents and teachers who are looking for word games, coloring activities and puzzles to try with their students. Check out their printable section for off-line activity sheets as well.</p>
	<p>Scholastic https://classroommagazines.scholastic.com/support/learnathome.html?caching You can play games, create your own comics, and more. Most importantly, Scholastic features an online discussion board for your students to connect with friends online.</p>
	<p>BBC History for Kids http://www.bbc.co.uk/history/forkids/ Students can walk through ancient history, or choose specific countries for more deep learning. BBC History for Kids is an adventure through time.</p>

MULTI-SUBJECT SITES

	<p>Nick Jr. http://www.nickjr.com/videos/ Beyond the television network, Nick Jr. offers many educational printables, games and other activities (yes, it includes Peppa Pig) for students to love.</p>
	<p>Learning Games for Kids https://www.learninggamesforkids.com/ Learning Games for Kids is all about games that can teach students about a variety of topics and subjects. Game lovers will be thrilled.</p>
	<p>TIME for Kids https://www.timeforkids.com/ TIMEforKids.com offers interesting articles, photos and videos on topics like politics, the environment, entertainment, sports and health.</p>
	<p>Disney Jr. http://disneyjunior.disney.com.au/games Mickey Mouse and friends will keep your students busy for hours with games, coloring pages, videos and more.</p>
	<p>IXL Worldwide www.ixl.com A dynamic, immersive website offering adaptive learning for students with disabilities. From Pre-K through senior year, IXL will provide fun exercises for mathematics, language arts, science, and social studies. Children remain motivated by earning awards like stickers and balloon animals for each lesson mastered. (Due to school closure's, families can sign up for a free trial).</p>
	<p>Funbrain www.funbrain.com Funbrain, created for kids in grades Pre-K through 8, offers hundreds of free interactive games, books, videos, and printables that help kids develop skills in math, reading, problem-solving, and literacy.</p>
	<p>Academic Skill Builders https://www.arcademics.com/ An online educational video games hub that won an EdTech Magazine 2016 Cool Tool Award. Free, multi-player games are available for engaging students in tricky K-6 content from spelling to algebra and geography. Children with learning disabilities can compete for top scores while boosting their fact fluency. Plus, teachers or parents can access data tracking reports.</p>
	<p>Brain POP https://www.brainpop.com/ Animated educational site for kids with a lot of subject areas.</p>
	<p>Fun with Spot https://www.funwithspot.com/fun-and-games Coloring sheets, games and a story maker!</p>
	<p>Khan Academy https://www.khanacademy.org/ Created by experts, Khan Academy's library of trusted, standards-aligned practice and lessons covers math K-12 through early college, grammar, science, history, AP®, SAT®, and more. It's all free for learners and teachers.</p>
	<p>MESS Early Childhood Curriculum https://www.floridamuseum.ufl.edu/educators/early-childhood/ Comprehensive guides designed to help teachers and parents support children's early science explorations and foster language development, literacy, problem solving, curiosity and motivation, and general knowledge through science experiences. MESS includes 10 month-long units that are appropriate for 3- through 5-year-old children.</p>

MULTI-SUBJECT SITES
